

## Ten Basic Mayrose Garden Rules

1. Participate in spring and fall cleanups
2. Plant your plot by June 1, or lose it.
3. Keep your plot clean, and help maintain common areas, paths and fencelines.
4. Conserve water, don't waste it.
5. No chemical pesticides.
6. No herbicides.
7. Prepare your plot for winter by November 30th. Clean up. Protect your soil from erosion.
8. Do not disturb another gardener's plot -- do not weed, trim, water, or pick flowers, fruit or vegetables -- from someone else's plot unless he or she has asked you to do so.
9. Your guests (whether adults, children or pets) are welcome ... please make sure they abide by the rules and respect the rights of your fellow gardeners to tend their plots in peace.
10. Any damage to park facilities or hazardous condition should be reported to the Parks Dept. via a 311 call. Any concerns -- about untended plots, non-compliance with the rules, etc. -- can be submitted to the Mayrose community for resolution. Send an email to the Mayrose Gardeners list or call HomeGrown at 718-768-1203 and we will share your issue with the group.
